# About This Book & License

Welcome to Volume 2 of the Large Print Puzzle Book for Seniors — a complete, ready-to-print puzzle book in genuinely large type, with 114 brand-new puzzles (none of them repeated from Volume 1).

Inside: 45 themed word searches, 45 Sudoku (18 Easy, 15 Medium, 12 Hard) — each one checked by computer to have exactly one solution — and 24 crosswords built from friendly, everyday words. Every solution is printed in the back of the book.

HOW TO PLAY

Word Search: find each listed word hidden in the letter grid. Words run across, down and diagonally, forwards and backwards.

Sudoku: fill the grid so every row, column and 3×3 box contains the numbers 1 to 9 exactly once.

Crossword: write the word that fits each clue into the grid; words read across and down and share letters where they cross.
